

# IBCs and carriers

We provide a full range of Intermediate Bulk Containers (IBC) and carriers for the safe storage and transportation of general purpose products, coolants, oils and low hazard chemicals such as mono-ethylene glycol (MEG). Fully certified to DNV 2.7-1, API RP2A and SEPCo OPS 0055, our standard fleet is available from our global network of locations on a sale or rental basis.

## Can't find what you are looking for?

Contact our global sales team at [sales@oegoffshore.com](mailto:sales@oegoffshore.com) or visit our website to find your regional representative at [oeg.group](http://oeg.group)

## Key features

Stainless steel IBCs available up to 3,000 litres

Used to load and transport liquid dangerous goods which meet II, III packing group of UN31A/Y packing guides according to IMDG-2014 requirements

IBC fully accessible and operational when retained in carrier

Single, double and quad IBC frames available for rental and sale

All units are stackable where deck space or yard space is at a premium

Please check exact specifications with your local representative when ordering.
